INTRODUCTION

1. TONJA WITMER (Plaintiff) brings this action to secure redress from CAPITAL ONE BANK, N.A. (Defendant) for violations of the Telephone Consumer Protection Act [47 U.S.C. § 227] and the Pennsylvania Fair Credit Extension Uniformity Act, P.S. § 2270 et seq (the “FCEUA”).

JURISDICTION AND VENUE

2. Jurisdiction in this Court is proper pursuant to 28 U.S.C. § 1331 as Plaintiff’s claims arise under the laws of the United States.

3. Venue is proper in this District pursuant to 28 U.S.C. § 1391(b) because the acts and transactions alleged in this Complaint occurred here, Plaintiff resides here, and Defendant transacts business here.

PARTIES

4. Plaintiff is an individual, residing in York County, Pennsylvania. Plaintiff is a natural person from whom a debt collector seeks to collect a consumer debt which is due and owing or alleged to be due and owing from such person.

5. Defendant, is a corporation engaged in the business of collecting debt in this state and in several other states, with a principal place of business in Virginia. One of the principal purposes of Defendant is the collection of debts in this state and several other states, and Defendant regularly attempts to collect debts alleged to be due.

FACTUAL ALLEGATIONS

Within one year prior to the filing of this action, Defendant contacted Plaintiff to collect money, property or their equivalent, due or owing or alleged to be due or owing from a natural person by reason of a consumer credit transaction and/or "consumer debt."

6. Defendant constantly and continuously called Plaintiff at her telephone number ending in 4457. Defendant called Plaintiff upwards of two (2) to four (4) times in a single day from telephone number 800-955-6600.

7. Defendant communicated with Plaintiff with such frequency as to be unreasonable under the circumstances and to constitute harassment, including upwards of at least four (4) telephone calls in one day.

8. Within one year prior to the filing of this action, Defendant communicated with Plaintiff with such frequency as to be unreasonable under the circumstances and to constitute harassment.

9. The natural and probable consequences of Defendant's conduct was to harass, oppress or abuse Plaintiff in connection with the collection of the alleged debt.

10. On or about August 30, 2017, Plaintiff answered one of Defendant's calls and advised an agent that Defendant was to cease placing any further calls to Plaintiff and her cellular telephone. Despite these clear instructions, Defendant continued to place its autodialed collection calls to Plaintiff's cellular telephone into October of 2017.

11. Upon information and belief, Plaintiff alleges that Defendant placed over forty five (45) autodialed collection calls to Plaintiff's cellular telephone after Plaintiff had revoked consent to receive such calls on her cellular telephone.

12. Defendant and/or its agent(s) used an "automatic telephone dialing system", as defined by 47 U.S.C. § 227(a)(1) to place these aforementioned collection calls to Plaintiff. The

dead air that the Plaintiff experienced on the calls that she received (i.e., when Plaintiff answered there was several seconds where no other person was on the other end) is indicative of the use of an automatic telephone dialing system.

13. This “dead air” is commonplace with autodialing and/or predictive dialing equipment. It indicates and evidences that the algorithm(s) being used by Defendant’s and/or its agent’s autodialing equipment to predict when the live human agents are available for the next call has not been perfected and/or has not been recently refreshed or updated. Thus resulting in the autodialer placing a call several seconds prior to the human agent’s ability to end the current call he or she is on and be ready to accept the new connected call that the autodialer placed, without human intervention, to Plaintiff.

14. The dead air is essentially the autodialer holding the call it placed to Plaintiff until the next available human agent is ready to accept it. Should the call at issue been manually dialed by a live human being, there would be no such dead air as the person dialing Plaintiff’s cellular telephone would have been on the other end of the call the entire time and Plaintiff would have been immediately greeted by said person.

15. Defendant’s calls constituted calls that were not for emergency purposes as defined by 47 U.S.C. § 227(b)(1)(A).

16. Defendant’s calls were placed to a telephone number assigned to a cellular telephone service for which Plaintiff incurs a charge for incoming calls pursuant to 47 U.S.C. § 227(b)(1).

17. As of August 30, 2017, when Plaintiff first demanded that Defendant cease placing its calls to his cellular telephone, any such consent for Defendant to place its autodialed calls (assuming it existed in the first place), was revoked by Plaintiff. Accordingly, Defendant did not have Plaintiff’s “prior express consent” to receive calls using an automatic telephone dialing system on her cellular telephone pursuant to 47 U.S.C. § 227(b)(1)(A).

18. As a result of Defendant’s alleged violations of law by placing these automated calls to Plaintiff’s cellular telephone without prior express consent, Defendant caused Plaintiff

harm and/or injury such that Article III standing is satisfied in at least the following, if not more, ways:

- a. Invading Plaintiff's privacy;
- b. Electronically intruding upon Plaintiff's seclusion;
- c. Intrusion into Plaintiff's use and enjoyment of his cellular telephone;
- d. Impermissibly occupying minutes, data, availability to answer another call, and various other intangible rights that Plaintiff has as to complete ownership and use of her cellular telephone;
- e. Causing Plaintiff to expend needless time in receiving, answering, and attempting to dispose of Defendant's unwanted calls..
